

Seed Collecting Dates & Sign-up

Members are receiving first choice! [Sign Up Now!](#)

We are expecting a heavy demand to help collect seeds at PFC this fall. As a member, you are given preference to sign up for any of these dates before we introduce these dates to the public. This is a great opportunity to actually go out into the Prairies at Pope Farm Conservancy and help make a difference by helping us collect seeds. The seeds will be used to improve the overall quality of our prairies! [Click Here](#) to complete our online registration form. We will contact you after receiving your information, and provide you with additional details.
